

Declaration for Patent Application

As a below named inventor, I declare that:

My residence, post office address, and citizenship are as stated next to my name.

I believe that I am the original, first, and sole inventor of the subject matter that is claimed and for which a patent is sought on the invention entitled: "Precursors for Deoxyribonucleotides Containing Non-Standard Nucleosides", the specification of which is attached hereto. I also declare that I am a "small entity" under the US Code.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims.

I acknowledge my duty to disclose information that is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56 (a).

I hereby claim the benefit under Title 35, United States Code, §120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, §112, I acknowledge the duty to disclose all information I know to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56(a) which became available between the filing date of the prior application and the national or PCT international filing date of this application:
